CHARM-EU WINTER SCHOOL 2027

Transformative Citizen Science

PHD CANDIDATE APPLICATION FORM – PREVIEW

This document is a preview to prepare the application form for attending the Winter School on Citizen Science in Barcelona on 1st - 4th March, 2027. Please fill in the official form to submit your application. Note that Microsoft Forms does not automatically save your progress while you are filling out a form and that you will need to complete the form in one go.

Should any queries arise related to the application process and the form, please contact mireiavia@ub.edu.

1. Full Name

Please enter your full name as it appears in official documents

2. Email Address

Please enter your email address

3. Institution / University

Name of the institution where you are pursuing your PhD

4. Faculty

Name of the faculty/school where you are pursuing your PhD

5. English level

Please note that the course will be held fully in English and that we expect doctoral students to have sufficient proficiency to follow and participate in it. Confirm that you have enough proficiency to follow and participate in the Winter School.

6. Doctoral Program

Name of the doctoral program in which you are enrolled

7. PhD Start Year

Year you officially began your PhD program

8. PhD thesis title

Provide the full or provisional title of your PhD

9. Level of Knowledge in Citizen Science methodologies

Please indicate your level of knowledge or expertise, e.g., None / Basic / Intermediate / Advanced

10. Please provide a link with a summary of your PhD research and its timeframe.

The file should be hosted on One Drive/Google Drive/Dropbox/... and in PDF format. Make sure you grant visualisation permissions to external accounts. *The summary (4 pages max.) must include an overview of the doctoral thesis, the project's objective, the stage your project is currently at, and the extent to which participatory methods are central to your research, including the target audiences within the participatory component of the thesis.* *Please include a research plan for the citizen science part of your PhD project, information on the objective of this part, the research questions, a methodological description of how citizen science is integrated into the research workflow, and the strategy for implementing the practical stages of the participatory part of your research.*

11. Please provide a link to your academic CV

The file should be hosted on One Drive/Google Drive/Dropbox/... and in PDF format. Make sure you grant visualisation permissions to external accounts. *Your CV should include a complete list of publications and participation in conferences and workshops.*

12. Any Other Comment
