

Transnational Online Learning - Student Follow-up survey sample

Thank you for taking part in the CHARM-EU transnational online learning programme. We are delighted that you took part in our pilot programme for our European University Alliance. It is important for us as part of our student-centered approach that we receive your feedback upon the completion of the course.

The purpose of this survey is to gain insights into your experiences of participating in an online course listed in the transnational online learning catalogue. We would like you to reflect on your experience of transnational online learning.

This will help us in CHARM-EU evaluate and improve our programme.

There are 18 questions, and it will take a maximum of 15 minutes of your time.
