

# Transnational Online Learning - Student pre-participation survey sample

Thank you for taking part in the CHARM-EU transnational online learning programme. We are delighted that you are part of our pilot programme for our European University Alliance. It is important for us as part of our student-centered approach that we gain your insights into our approach from you. We would be very grateful if you could complete this survey before you start your online course.

The purpose of this survey is to gain insights into your motivation for enrolling in an online course listed in the transnational online learning catalogue. This will help us in CHARM-EU evaluate and improve our programme.

There are 18 questions, and it will take a maximum of 15 minutes of your time.
