The expanding landscape of CHARM-EU

CHARM-EU was founded in 2019 and currently has **9 partner universities from 8 European countries**: Spain, Ireland, The Netherlands, Hungary, France, Finland, Germany and Norway.

- It has created the first **joint** Master's Degree Programme under the European Universities initiative: the **Master's in Global Challenges for Sustainability**.
- CHARM-EU has also started to build its **research and innovation dimension** through TORCH, developing a common R&I agenda.

CHARM-EU is currently engaged in expanding its activities, building and deepening connections in a variety of fields. Key activities include:

- Strengthening governance and cooperation
- Expanding the educational portfolio
- Building an inter-institutional campus
- Mainstreaming successful innovations and building communities
- Strengthening partnerships

Why is this important for ELTE?

CHARM-EU offers a **growing number of opportunities to students, staff and faculty at ELTE**, including:

- transnational online learning and mobility opportunities;
- possibilities of international network-building and collaboration;
- a growing portfolio of educational offers and professional development activities;
- a growing community crossing institutional and disciplinary borders.
