

Find your research internship within the CHARM-EU network

Dear students,

We are delighted to introduce **SPARK**, the internship platform of the CHARM-EU alliance of European universities. It lists research internship opportunities offered by laboratories at the alliance's nine partner universities, including the University of Montpellier.

Why check out the opportunities on SPARK?

- Access international opportunities: discover research internships offered throughout the CHARM-EU network.
- Build your academic experience: join dynamic research teams and enrich your academic journey.
- Expand your network: collaborate with researchers and PhD students from various European universities.
- Simple process: browse available opportunities and apply directly following the instructions provided.

Internships posted on SPARK are open to students from CHARM-EU member universities. This is a unique opportunity to gain international experience while strengthening your research skills.

To get started: explore the available opportunities on the [SPARK platform](#).

We wish you the best of luck in your search for an internship.

Best regards,

The CHARM-EU Team
